Free Printable Anniversary Black Flame Candle

This Black Flame Candle has been designed to easily wrap around a battery tealight candle.

You will need:
1 Battery Tealight Candle
Card for printing
Scissors
Double Sided Tape (or standard tape or glue)
A black marker pen (optional).

1 -Carefully cut out the candle

2 - Place double sided tape around your candle and on the red strip.

3 - Roll your candle design around the candle and stick the flap to the inside.

4 -Optional - Using a black marker, colour the tealight candle tip black to create a black flame effect.

Printable is for personal use only and is not to be sold
