

Free Printable Anniversary Black Flame Candle

This Black Flame Candle has been designed to easily wrap around a battery tealight candle.

You will need:

- 1 Battery Tealight Candle**
- Card for printing**
- Scissors**
- Double Sided Tape (or standard tape or glue)**
- A black marker pen (optional).**

1 - Carefully cut out the candle

2 - Place double sided tape around your candle and on the red strip.

3 - Roll your candle design around the candle and stick the flap to the inside.

4 - Optional - Using a black marker, colour the tealight candle tip black to create a black flame effect.

Printable is for personal use only and is not to be sold.
